Dear Governor Early:

Thank you for your letter dated April 22, 1981, granting nine members of the Jackpile-Paguate EIS Task Force permission to enter onto the Pueblo of Laguna Indian Reservation to conduct field work. Additional personnel have now been assigned to the task force, and I request that they also be given permission to enter onto the Reservation. These persons are:

John M. Andrews, Jr.	U. S. Geological Survey
Gary Stephens	U. S. Geological Survey
Harold Zehner	U. S. Geological Survey
Kit Fuller	U. S. Geological Survey
Don Hendrix	U. S. Environmental Protection Agency
John Sanders	U. S. Indian Health Service
Rick Haskins	- U. S. Indian Health Service
Bob Leach	U. S. Indian Health Service

Your assistance and cooperation is appreciated.

Sincerely yours,

Marc E Nelson
